*28 Years Helping
the Industry Meet
Its Funding Needs*

ATTENDEE INFORMATION

There is no better place to reconnect with funding sources you know and make contact with new funding sources who want your business.

For a quarter of a century, companies like yours have relied on the ELFA National Funding Conference for the funding that is the lifeblood of equipment finance. You've met, talked and done business with some of the finest funding sources in the industry, all in one convenient place. For many, it is the most productive two days of the year.

2016: A Good Year for Funding

According to the economists at Keybridge Research, who provide the annual *Equipment Leasing & Finance U.S. Economic Outlook* on behalf of the Equipment Leasing & Finance Foundation, investment in equipment and software is expected to grow 4.4% in 2016. A strengthening U.S. economy and elevated propensity to finance should propel growth in the equipment finance sector.

Why Attend the ELFA Funding Conference?

The National Funding Conference is an unparalleled opportunity to meet funding sources face-to-face in an efficient, professional setting. You need funding, the dozens of funding source exhibitors need investments—it doesn't get simpler or more convenient. The National Funding Conference is all about meeting with your current funding sources and establishing relationships with new ones. If you are responsible for funding the leasing and finance company and its transactions, and for participating in transactions, this is the one conference you cannot afford to miss.

How It Works: Create Your Profile, then Schedule Appointments in Advance and Online

Once you have registered as an attendee with ELFA, you must enter or edit your company profile online. You will then be able to view the profiles of all the funding sources that are exhibiting and select those with whom you would like to schedule an appointment. Funding Sources have 5 days to accept your appointment if they believe your business is a good fit, or reject your appointment if they believe it doesn't fit their business objectives.

Appointments with Funding Source Exhibitors are in 20-minute increments. Be one of the first to get the best appointment

times with Funding Source exhibitors of your choice! Member attendees who register online at the ELFA website: www.elfaonline.org/events/2016/NCF/ will be able to view exhibitor profiles and set up appointments with Funding Sources in advance online.

Remember: Your time is valuable and you don't want to spend it meeting with funding sources that do not fit your profile, or worse, get your appointment request rejected by a funding source for lack of adequate information! To create your profile, go here: www.elfaonline.org/events/2016/NCF/

NOTE: All member attendees not registering online will need their user IDs and passwords to enable them to schedule appointments online. If you don't have one or can't remember yours, go to the ELFA homepage: www.elfaonline.org, click on user login and follow the instructions. However, the FASTEST and EASIEST way is to register online!

So, what are you waiting for?
Log onto www.elfaonline.org/events/2016/NCF/,
click on Attendee Registration and simply
follow the instructions.

2. Booths are large (15' x 10') offering needed privacy during meetings.

3. Funding Sources have significant flexibility in determining who they meet with. Funding Source Exhibitors who purchase a "Suite on the Floor" have **access to all attendee profiles**, not just the ones who have made appointments with them. Therefore, it is very important that your business profile be as complete and as accurate as possible.

4. Convenient Schedule: The National Funding Conference will begin with a reception on Tuesday, April 19, followed by a full day of meetings on April 20 concluding with a half day of meetings on April 21.

5. Half-Day Best Practices Roundtables for Senior Execs from Banks, Captives and Independent Finance Companies.

These invitation-only events immediately precede the start of the National Funding Conference on April 19. See Schedule of Events for more details.

Impromptu Gatherings? We've Got You Covered!

We know you want more places to meet with potential funding sources. This year's exhibit hall and foyer area is spacious, which will allow ELFA to provide more seating areas for attendees and exhibitors for more impromptu meetings.
