Description: A long-term committee established to handle ongoing responsibilities or specific issues, appointed by the president of the Association.

Term Limit: Typically one year, but may vary, depending on committee. May be renewable.

**Communications Committee**
Serves as a member and staff resource for the association's internal and external communications. Comprised of communications and marketing professionals.

**Emerging Talent Advisory Council (ETAC)**
Develops and involves the next generation of emerging company leaders in the industry and activities of the ELFA. Its mission is to engage early-career professionals and attract/retain talent to the industry.

**Equity Committee**
Works to encourage diversity and inclusion among association leadership groups, committees, conferences and other association activities and initiatives.

**Federal Tax Committee**
Identifies, analyzes and monitors relevant legislative and regulatory tax issues, and works with ELFA to develop and recommend policy positions and strategies to the Board of Directors.

**Financial Accounting Committee**
Monitors relevant financial accounting and reporting issues that arise from the activities of regulatory, national and international standards-setting bodies, as well as the marketplace.

**LeasePAC Committee**
ELFA's federal bipartisan political action committee that has two functions – coordinate fundraising activities and provide advice and direction for contributions to candidates who take an interest in our issues.

**Legal Committee**
Serves as a member and staff resource on a wide range of national and international legal issues impacting the equipment leasing and finance industry.

**Membership Committee**
Identifies and recruits companies for potential ELFA membership and helps develop membership retention policies.

**Research Committee**
Assists ELFA in collecting and reporting industry trend data and performance metrics, particularly through the ELFA Survey of Equipment Finance Activity (SEFA) and the Monthly Leasing & Finance Index (MLFI).

**State Government Relations Committee**
Identifies and monitors relevant state legislative and regulatory issues and develops policy positions for recommendation to the ELFA Board.

**Innovation Advisory Council**
Monitors and analyzes various digital strategies and techniques and communicates how these initiatives can help member organizations better serve their customers and bring about operational efficiencies.

**Women's Council**
Unites leaders of influence in the equipment finance industry who know that organizations with gender-balanced leadership are more successful and resilient. The Council is committed to driving change in the association and our industry by providing more access and inclusiveness to women at all stages in their equipment finance careers.
Description: Committees represented by subject matter experts involved in developing the program content for various live events sponsored by the Association.
