In the U.S., $1 trillion in capital goods is financed through loans, leases, and other financial instruments. Businesses in the state of Louisiana financed $11.3 billion in capital equipment in 2020. Louisiana ranks 3rd in natural gas production and proved reserves.

The Equipment Leasing and Finance Association represents financial services companies and manufacturers in the $1 trillion U.S. equipment finance sector. Our members provide the financing for the equipment that businesses need to operate and grow. See www.elfaonline.org.
