Over the last decade, millions of meals have been distributed across the globe and right here in the United States. Feeding families today and uniting them with a healthier tomorrow, our hunger project meal packing event is easy and fast-paced, filled with music, dancing, laughter, and of course, a whole lot of food packing! Rules and Regulations for Exhibitors

Codes and Agreements

These Rules and Regulations are a part of the agreement between ELFA and Exhibitor for a Lease to use designated space at the 63rd Annual Convention. Exhibitor hereby agrees to be bound by the "Rules and Regulations for Exhibitors." Exhibitor further agrees to adhere to and be bound by (i) all applicable fire, utility, and building codes and regulations; (ii) any rules or regulations of the facility where the Exposition is held; (iii) the terms of all leases and agreements between ELFA and the managers or owners of said facility; and (iv) the terms of any and all leases and agreements between ELFA and any other party relating to the exposition. Exhibitor shall not, nor shall Exhibitor permit others to do anything to the Booth or do anything in the facility, which would cause a difference in conditions from those previously approved by the insurance carriers of ELFA, or the owners or managers of said facility, which will in any way increase premiums payable by any of said parties. Exhibitor will be responsible for and will immediately reimburse ELFA or the facility for any such increase resulting from a violation of this section.

Space Assignments

ELFA uses its best efforts to locate the booth in one of the locations designated by the Exhibitor on the floorplan and to provide physical separation from competitors from whom Exhibitor has requested such separations. Notwithstanding the above, ELFA reserves the right to change location assignments at any time, as it may in its sole discretion deem necessary.

Hospitality Suites and Private Parties

Hospitality suites and private parties shall not be open during regularly scheduled hours of meetings, exhibits or other ELFA functions.

Equipment

Booth equipment provided by ELFA through the designated exhibit company GES shall be returned to the exhibit company at the end of the term herein, complete and in good condition, normal wear and tear expected. Exhibitor shall have no right, title or interest in such equipment, but only the right to use it under this Lease. Exhibitor shall provide all other equipment at his or her own expense. All draping and decorative materials used by Exhibitor shall be flame proof. All booth equipment shall be in keeping with and consistent with all rules, codes, and regulations referred to under Codes and Agreements above. All demonstrations and displays shall be confined to the Booth.

Exclusion

ELFA shall have the right to exclude or to require modification of any display or demonstration, which, in its sole discretion, it considers unsuitable to or not in keeping with the character of the Exposition. ELFA shall have the right to prohibit the use of amplifying equipment or music, which, in its sole discretion, it considers objectionable. ELFA shall have the right to demand modification of the appearance of dress of persons or mannequins used in connection with displays or demonstrations.

Assignment and Sublease

Exhibitor shall not sublet or share the whole or part of the Booth or any equipment provided by ELFA, nor shall Exhibitor assign this Lease in whole or in part without written notice to and approval from ELFA. Exhibitor shall not permit representatives of non-Exhibitors to conduct business in its booth.

Liability

This Agreement shall not constitute or be considered a partnership, employer-employee relationship, joint venture or agency between ELFA and Exhibitor.

Exhibitor shall assume all liability for loss or damage by reason of its exhibit or presence at the Exhibition. In no event shall either party be liable for any indirect, consequential, special or punitive damages. Exhibitor hereby agrees to and shall indemnify, hold harmless and defend ELFA from and against any and all liability, responsibility, loss, damage, cost, or expense of any kind whatsoever (including but not limited to court costs, interest and attorney's fees) which ELFA may incur, suffer, be put to, pay or be required to pay, incident to or arising directly or indirectly from any intentional or negligent act or omission by Exhibitor or any of its employees, servants, or agents. Exhibitor further agrees that ELFA and its respective agents and employees shall not be responsible in any way for (i) any damage, loss or destruction of any property of Exhibitor or (ii) injury to exhibitor or its representatives, agents, employees, licensees or invitees, except in cases of gross negligence by ELFA.

Postponement of Exposition

In the event that the Exposition is postponed due to any occurrence not occasioned by the conduct of ELFA or Exhibitor, whether such occurrence be an Act of God or the common enemy or the result of war, terrorism, riot, civil commotion, sovereign conduct, or the act or

conduct of any person or persons not party or privy to this Lease, then the performance of the parties under this Agreement shall be excused for such period of time as is reasonably necessary after such occurrence to remedy the effects thereof, and in any event for the duration of such postponement.

Cancellation of Exposition

In the event that the Exposition is cancelled for any reason, the obligations of the parties under this Agreement shall be automatically terminated and all rental payments made under this Lease shall be refunded to the Exhibitor, less a pro-rated share of expenses actually incurred by ELFA in connection with the Exposition. Exhibitor shall accept such refund in full settlement of all loss or damage suffered by Exhibitor.

Handling and Storage

ELFA and the owners or managers of the facility where the exposition is to be held shall not accept or store display materials or empty crates and Exhibitor shall make its own arrangements for shipment, delivery, receipt and storage of such materials and empty crates.

Cancellation of Lease by Exhibitor

Once Exhibitor pays the fee for this exposition, it is understood that it is non-refundable if cancellation occurs after **Wednesday, October 2, 2024.**

Security

ELFA shall either provide or arrange for security service throughout the hours of installation, show and dismantling period, and exercise reasonable care for the protection of the exhibitors' materials and display. Exhibitor agrees that the provision of such services constitutes adequate discharge of all obligations of ELFA or the facility to protect the Exhibitor's property within the Exhibition.

Insurance

Exhibitor is required to maintain the following insurance policies: (i) Commercial General Liability of not less than \$1,000,000 per occurrence/\$2,000,000 aggregate; (ii) Commercial Automobile Liability (including hired and non-owned) of not less than \$1,000,000 CSL; and (iii) Worker Compensation in accordance with applicable statutory limits. The insurance company or companies providing such insurance must have authority to operate in the jurisdiction where the Exhibition is held and have at least an A VIII A.M. Best rating. Exhibitor is also required to (i) include ELFA, the facility and their respective employees and agents as additional insureds on these policies; (ii) obtain coverage which will apply

as primary without regard to contribution from other sources; and (iii) include a waiver of subrogation clause in the policies. Exhibitor shall provide ELFA with a certificate or certificates of insurance as evidence of the above.

Music & Sound

ELFA has agreements with the two major music-licensing organizations, American Society of Composers, Authors and Publishers (ASCAP) and Broadcast Music, Inc. (BMI). These agreements require the reporting of any music played at exhibits and meetings and the payment of appropriate fees. Therefore, any exhibitors playing music, either live or recorded, during show hours in the exhibit hall, will be required to reimburse ELFA for any fees payable to ASCAP and/or BMI as set forth in the licensing agreement.

Sound-producing or amplifying devices that project sound must be tuned so as not to exceed 85 dbs. ELFA reserves the right to determine at what point sound constitutes interference with other Exhibitors. Public address announcements are prohibited.

Governing Law

This Agreement shall be deemed to have been entered into and shall be construed, governed and interpreted in accordance with the laws of the State of Florida without giving effect to its principles of conflicts of laws.
