ELFA is the only association with a wide range of benefits specialized for the equipment leasing and finance industry. Join today and:

**Grow and solidify relationships with other leasing and financial services companies.** Exchange advice on best practices with industry experts by participating in member committees, presenting at association events and networking with colleagues online and in person. Plus, find out who’s who in the industry using the online member directory and access industry expertise by joining members-only online discussion groups.

**Operate in a more favorable environment through ELFA’s advocacy efforts.** In the federal advocacy arena, the association is keeping a close watch on the impact of tax legislation on our industry and monitoring developments at the Consumer Financial Protection Bureau (CFPB) regarding Section 1071 of Dodd-Frank and advocating for the industry as the CFPB implements this rule.

**Gain an extra line of defense at the state level.** In the face of increasing state legislative and regulatory activity, ELFA is in state capitals protecting and promoting your interests against burdensome regulations and damaging proposals, from finance licensing to consumer-like enhanced commercial finance disclosures to discriminatory tax treatment and automatic renewal legislation.

**Access business intelligence, including industry statistics and market data, via the Knowledge Hub.** Access an array of subject matter experts, from attorneys to credit analysts to accountants. Plus, participate in and receive copies of industry surveys, including the new Interactive Survey of Equipment Finance Activity Dashboard, as a benefit of membership.

**Learn strategies for pursuing your business objectives at ELFA business and professional development events.** Enjoy members-only savings on high-quality learning and networking opportunities in the format you prefer – face-to-face meetings, online seminars, or executive-level roundtable discussions.

**Grow your leadership skills with Career Pathways.** A comprehensive resource of training, events, resources, and volunteer opportunities designed to guide you as you progress through each phase of your career.

**Foster diversity, equity and inclusion with ELFA’s People Power resources.** Together with our member companies, ELFA is advancing initiatives to support equity, diversity and inclusion in everything we do.

**Stay connected to the industry.** Connect with colleagues through the ELFA Engage mobile app, ELFAConnect online communities, and award-winning publications.
Members stay connected to industry news and colleagues through ELFA’s award-winning publications.
